

# Invest in the Future of the Electrical Industry!

The BCEA's U40 Group takes pride in promoting growth and careers within our industry. The committee assists the next generation in relationship building, developing leadership skills and knowledge, and giving back to our community.

The U40 Group has quickly pivoted from in person networking events to a monthly Professional Development webinar series, increasing their reach and audience.

By committing to the U40 Group as an official sponsor, you are committing to a strong and ambitious future for the electrical industry.
